AIR FILTER, PRIMARY RADIALSEAL

Why Choose Donaldson Replacement Filters?

Replacement filters for Fleetguard Optiair Air Cleaners deliver superior performance and proven protection.

- High-efficiency cellulose media is a proven performer across a wide range of heavy-duty diesel engine applications.
- Unique sawtooth design compresses to cushion and hold the filter in place, providing a secure seal – even in severe environments.
- RadialSeal™ design allows for fast filter changes.
- Durable structural support protects filters from damage or collapse in heavy vibration applications or humid conditions.
