AIR FILTER, PRIMARY ROUND

POWERCORE

Why Choose Donaldson PowerCore® filters?

Genuine PowerCore filters provide superior protection and performance.

- Lower initial restriction protects engine performance and fuel economy.
- Greater filter capacity means longer filter life, fewer filter changes and less money spent on maintenance.
- PowerCore filters have been meeting original equipment manufacturer specifications for 20+ years.
- Reliable, leak resistant Radial Seal™ technology keeps the filter in place – even under heavy vibration.

Attributes
